Red Riding Hood Redux Terry Kroenung (edited)

RRH Grannie! I'm here!

Wolf Come in, dearie!

RRH Hello, Grannie! I brought you some goodies!

Wolf Yes, I can see you have. And you have a basket, too!

RRH Why, Grandma, your face is so hairy! Isn't your hormone replacement therapy working?

Wolf Oh, yes, dearie. We just have to tweak the dosage, that's all.

RRH And what big eyes you have!

Wolf A little thyroid trouble. I'll be fine.

RRH And what big teeth you have!

Wolf New dental implants, honey. Best money I ever spent.

RRH And, Grannie, what a big- um...

Wolf A major star like me needs a large staff.

RRH Help!

Wolf are you going to do it like that?

RRH What do you mean?

Wolf I mean you're just going through the motions. You're not "in the moment". What's your objective? Work with me here!

RRH I'm doing my best! Hat about you? Are you going to "be" the wolf or just "act" the wolf?

Wolf Oh, look who's suddenly Little Miss Equity. Don't forget who got you this job.

RRH How could I? I still have the scar on my ass from that couch spring.

Wolf OK. Go ahead. Make my day.

RRH Not this time!

Wolf See, that was good. I BELIEVED that!

RRH Thanks!

Wolf You really think you can kick my ass, little girl?

RRH The fight director practically guaranteed it.
